

Sheridan Co-op & Internship Programs: At A Glance

What's different about a Sheridan education? A lot. Our educational approach is based on the idea of purposeful creativity. In an economy based on innovation and change, leading CEOs agree that creativity, problem solving and perseverance are top skills you can bring to the workplace — so we embed it into everything we do.

Sheridan has facilitated [work-integrated learning](#) for students for more than 30 years and is home to both Ontario and Canada's top co-op students for many years running. Sheridan students bring with them new energy, ideas and skills, and may be eligible for government incentives to cover a portion of wages. We can't wait for you to see what our students are capable of. Ready to [post a job?](#)

Co-op & Internship Details by Programs

Work terms marked with an asterisk (*) indicate that students are ending their studies with a work term and are available to extend their employment beyond the work term if desired. Click the Program links below to visit the applicable Sheridan webpage, or click the Contact link to send an email. To view student capability sheets by program, [click here](#).
