

Dear Resident,

RE: Redevelopment of Sugar Hill Close and Wordsworth Drive

I am writing to you on behalf of Leeds Federated Housing Association, a not-for-profit developer overseeing the regeneration of Sugar Hill Close and Wordsworth Drive.

As you may be aware, Leeds Federated bought the site with planning permission to enhance the neighbouring streets and redevelop the existing and outdated homes into high-quality, much-needed affordable housing for rent and sale.

To prepare the site ahead of our contractor starting work in the coming months, from 26 June 2023, you will begin to see the installation of hoardings around the construction site.

These hoardings will provide a clear boundary and ensure the safety of both residents and our contractor, as well as enable us to minimise any potential disruption throughout the build.

Our priority is to ensure we keep you informed about the project's progress, key milestones, and any information that will be of interest.

To ensure we can do this as smoothly as possible and in a way that suits you, we are keen to know how you would like to receive updates throughout the project. Please scan the QR code at the bottom of this letter or enter the following link into a web browser (<https://www.surveyhero.com/c/hxxjg9t7>) to complete our survey and share your thoughts.

The team at Leeds Federated are dedicated to completing this project efficiently and with the least possible impact on nearby residents. If you have any questions, concerns, or suggestions related to the development, please do not hesitate to reach out using the contact details above.

Yours sincerely,
Dan Massey
