

## Cookie Policy

GIBB GROUP LTD, GIBB GROUP LLC, GIBB GROUP (NETHERLANDS) B.V., TRAUMA RESUS, INC. (to be renamed GIBB GROUP MEDICAL AND RESCUE, INC.), and GIBB GROUP CO LTD (together, "**Gibb Group**") and its service providers use cookies and other technologies to automatically collect certain types of information when you visit us online. The collection of this information allows us to customize your online experience, improve the performance, usability and effectiveness of our online presence, and to measure the effectiveness of our marketing activities.

This cookie policy applies to all websites and web applications which link to this policy and are published by Gibb Group.

This policy should be read alongside our [Privacy Policy](#) which explains how we use personal information.

### What are cookies?

A cookie is a small file of letters and numbers that contains information that we store on your browser or the hard drive of your computer.

Cookies may be placed on your computer or internet-enabled device whenever you visit us online. This allows the site to remember your computer or device and serves a number of purposes. For example, they can help us to remember your username and preferences and analyse how well our websites are performing.

Other third party tools and widgets may be used on our individual web pages to provide additional functionality. Use of these tools or widgets may place a cookie on your device to make their service easier to use and ensure your interaction is displayed on our webpages properly.

The majority of websites use cookies to collect and retain personal information about their visitors. Cookies by themselves however do not tell us your email address or otherwise identify you personally. Most collect general information, such as how visitors arrive at and use our websites, the device they are using, their internet protocol address (IP address), what pages they are viewing and their approximate location.

### Purpose and types of cookies

Below is a list of the types of cookies used on our websites:

Preferences	<p>These cookies allow our websites to remember information that changes the way the site behaves or looks, such as your preferred language or the region you are in. These cookies can also assist you in changing text size, font, and other parts of web pages that you can personalize.</p> <p>Loss of the information stored in a preference cookie may make the website experience less functional but should not prevent it from working.</p>
-------------	--

Security	<p>We use security cookies to authenticate users, prevent fraudulent use of login credentials and protect user data from unauthorized parties.</p> <p>For example, we use cookies called 'SIDCC' to protect users data from unauthorised access.</p>
Strictly Necessary	<p>Process cookies help make the website work and deliver services that the website visitor expects, like navigating around web pages or accessing secure areas of the website. Without these cookies, the website cannot function properly.</p>
Session State	<p>Websites often collect information about how users interact with a website. This may include the pages users visit most often and whether users get error messages from certain pages. We use these so-called 'session state cookies' to help us improve our services, in order to improve our users' browsing experience. Blocking or deleting these cookies will not render the website unusable.</p>
Analytics	<p>Google Analytics is Google's analytics tool that helps us to understand how our visitors engage with our websites. It may use a set of cookies to collect information and report website usage statistics without personally identifying individual visit</p>

We use various domains to set cookies used, including the following domains:
