

 **The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, Clario.Quantum-Health.com or call 866-920-1952 or general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.HealthCare.gov/sbc-glossary/ or call 866-920-1952 or request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$2,000 individual / \$4,000 family for in-network providers \$2,500 individual / \$5,000 family for out-of-network providers combined. Combined medical / behavioral and pharmacy deductible. Deductible per individual applies when the employee is the only individual covered under the plan.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your deductible?	Yes. <u>Preventive care services</u> and immunizations are covered before you meet your <u>network deductible</u> . <u>Copayments</u> and <u>coinsurance</u> amounts don't count toward the <u>network deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	\$3,000 individual / \$8,000 family (no more than \$5,000 per individual within a family) for in-network providers \$6,000 individual / \$12,000 family (no more than \$6,000 per individual within a family) for out-of-network providers Combined medical / behavioral and pharmacy out-of-pocket limit	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Penalties for failure to obtain pre-authorization for services, certain drug coupon amounts, premiums, balance-billing charge, and health care this plan doesn't cover	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

An example of a benefit book can be found at <https://shop.highmark.com/sales/#!/sbc-agreements>.

Will you pay less if you use a <u>network provider</u>?	Yes. See Clario.Quantum-Health.com or call 866-920-1952 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your overall **deductible** has been met, if a **deductible** applies.
