Our whole island is your campus

International Course Guide 2027

SECOND EDITION

UNIVERSITY of TASMANIA
Australia

Your journey starts here

Whether you are just starting out, or you're ready to take the next step in your pursuit of knowledge, there's no place quite like Tasmania.

As a university that has a long history of welcoming international students, we understand the important role you will play in shaping both our university, and the broader community when you join us in Tasmania.

Tasmania: the perfect destination

As a student, our whole island is your campus. Tasmania is Australia's only island state and is famous for its pure air, clear skies, quality produce and stunning natural beauty.

Extra year of post-study work rights

Stay in Tasmania and work for up to 4 years after studying on a Temporary Graduate visa subclass (485).

To learn more, visit **immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/temporary-graduate-485**

Live where you learn

Enjoy an interconnected campus experience where you can live within walking distance of all of our city campuses, student accommodation, prime shopping, farmers' markets, events and work opportunities. You can also enjoy free bus transport between campuses.

Authentic Australian university experience

Experience a genuine Australian lifestyle in a safe, welcoming, and peaceful community. When you study with us, you'll enjoy a relaxed environment where it's easy to form meaningful, lasting friendships and feel truly at home.

Distinctive courses shaped by Tasmania

Our globally recognised courses are inspired by the unique environment and character of Tasmania. As an international student, you'll gain a high quality learning experience that prepares you for a rewarding and successful career anywhere in the world.

World-class education

Top 20 in Australia and #311 globally (QS World University Rankings 2027).[1]

Outstanding graduate employability

95% of postgraduates[2] and 81% of undergraduates[3] secure employment within four months of graduation (Good Universities Guide 2026).

Global leader in climate action

#1 in the world for Climate Action in the Times Higher Education (THE) Impact Ratings 2026 – for the fifth year in a row.[4]

Strong industry connections for real world career outcomes

Through our close partnerships with industry, we equip you for your future career by providing valuable networking opportunities, practical work placements, and access to an extensive global graduate network, all designed to enhance your employment prospects.

Accommodation options

Our residential colleges offer more than just a place to live; they are welcoming communities designed to enhance every part of your university experience.

Located on or near campus, our colleges make it easy to stay connected while enjoying a vibrant and social lifestyle. You will have the opportunity to build lasting friendships, share everyday moments, and create memories that stay with you long after your studies.

We provide a range of accommodation options to suit different needs and preferences, from self-contained apartments to single rooms with shared kitchen facilities. We also offer homestay options, allowing students to live with carefully selected local families and experience everyday life in a supportive home environment while participating in the program. No matter your choice, you will be part of a supportive environment where connection and belonging are central to daily life.

Community is at the heart of everything we do. Our residential colleges foster a strong sense of inclusion, where students are encouraged to engage, grow, and feel at home.

To help make college living accessible, we offer financial support to keep rental costs affordable. Your accommodation also includes essential utilities such as electricity, heating, water, and maintenance, giving you peace of mind and helping you manage your budget.

Living in a residential college is not just about where you stay. It is about being part of a community that supports your academic success, social wellbeing, and overall university journey.

Homestay accommodation option

Homestays offer students studying at the University of Tasmania the chance to experience life within a local family home. Students can immerse themselves in the local community and experience the uniquely Tasmanian lifestyle, while host families make friends from all around the world and gain insights into other cultures.

The Australian Homestay Network is providing homestay accommodation for University of Tasmania students across the region.

Key dates

If you're planning to study at the University of Tasmania as an international student, it's helpful to get across a few key dates early so everything runs smoothly.

You can apply for most courses at any time during the year, but applying early is a smart move. This gives you plenty of time to organise your visa, accept your offer, and get ready for enrolment without added pressure.

Because dates can vary depending on your course, it's important to check the latest information online. Simply scan the QR code below to access up-to-date timelines, application steps, and guidance on what to do next.

For more information on key dates, visit **utas.edu.au/key-dates**

"Studying at the University of Tasmania, I got to make very valuable connections with international friends and lecturers. Commuting to university and seeing the beautiful scenery around me always lifts up my mind. Most of our classes are not only made of Australian students but also of international students, not from a specific country but from various different countries. I feel like that's the beauty of Australia and Tasmania as well, people from different cultures and countries coming together."
